President Tóth Csaba Kornél - Dear Philatelic Friend

International Jury Seminar 2013 in Hungary

Following the success of the Hungarian Jury Seminar organized last November - I really appreciate that you have decided to organize a second International Jury Seminar in Budapest in October 2013.

Taking the actually low number of Europe into account; it is important that our National and International jurors get the opportunity to update and train their competences.

FEPA will be happy to support this Jury Seminar and to recognize it as a FEPA Seminar.

I am happy to inform you that José-Ramon Moreno will act as consultant for this Jury seminar. Please feel free to contact José-Ramon direct with the purpose to discuss any details you wish.

I wish you success with this initiative.

Best wishes

A handwritten signature in blue ink, which appears to be 'Jørgen Jørgensen', is written over the typed name. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
